

1st4sport Level 2 Certificate in Coaching Skydiving Foundation Skills

Qualification Specification

About Us

Welcome to 1st4sport, established in 2000, 1st4sport are an industry specialist recognised awarding organisation regulated in England by the Office of the Qualifications and Examinations Regulator (Ofqual), in Wales by Qualifications Wales, and in Northern Ireland by the Council for the Curriculum, Examination and Assessment (CCEA) Regulation.

Serving the needs of the sport, physical activity and active leisure industry; our niche status is emphasised through our accomplished people, network of esteemed industry partnerships and our culture of excellence. We have an outstanding reputation; evidenced through the loyalty we receive from our trusted partners, recognised centres and most importantly our learners.

We have a proven track record; offering of valid, value-added, educational solutions and services and outstanding customer care. Our offer includes sector specific qualifications and pathways, and a range of relevant high-performing educational services; underpinned by leading digital solutions. The majority of these are developed and deployed in partnership with governing bodies of sport and other sector specific professional organisations. More than any other awarding organisation, our knowledge of the industry and our continuous cross-sector network enables us to understand the direction of our sector.

Our involvement in shaping our sector has been significant and we continue to be the awarding organisation that partner and representative organisations turn to for guidance on the direction of travel, as appropriate to the needs of our partners, centres, industry employers and learners.

Our Mission: To deliver excellent educational solutions and value-added services to sport, physical activity and the active leisure industry.

Our Direction: We aim to support the ongoing professionalisation of our industry; supporting employment, growth, sustainability and success. We embrace performance, participation and health agendas. Our objective is to continue to support our respected partners, providers and learners.

Qualification Specification

Title:	1st4sport Level 2 Certificate in Coaching Skydiving Foundation Skills
Qualification Overview:	Gives learners the knowledge, skills and confidence to plan, deliver and review Skydiving (Foundation Skills) sessions on a 1-to-1 basis.
Qualification Code:	L2CCSFS
Qualification Regulation Number:	610/1156/3
Guided Learning Hours (GLH):	72
Total Qualification Time (TQT):	121
Credit Value (if applicable):	Not applicable
Operational Start Date:	01/07/2022
Qualification Review Date:	30/06/2025
Learner Registration Period:	2 years
Qualification Objective:	This qualification qualifies learners to become a Skydiving Coach of Foundation Skills.
Qualification Purpose:	Prepare for employment in a specific occupational area.

Who is this qualification for?

The qualification is designed for those starting their coaching journey and who wish to become involved in coaching 1:1 sessions. The 1st4sport Level 2 Certificate in Coaching Skydiving Foundation Skills is the first coaching qualification you will complete on your journey in coaching skydiving. Learners are required to already have evidence of a minimum of 200 freefall descents and 2 hours of freefall time and have been involved in Skydiving for a minimum of 2 years

Qualification Progression

The qualification sits within a suite of progressive coaching qualifications and supports direct progression onto the 1st4sport Level 2 Certificate in Coaching Skydiving Advanced Skills and is focussed on the planning, delivering and evaluating linked and progressive sessions with groups and teams. The skills and knowledge developed through this qualification may also be used to progress to other industry-relevant qualifications in coaching sport, activity leadership, supporting PE in school sport or sports development.

This qualification may lead to paid or voluntary roles in coaching skydiving.

Entry Requirements

Learners must be a minimum of 16 years old at registration and 18 years old at certification.

Pre-requisite(s) or other entry requirements

The recognised centre is required to conduct an initial assessment of learners to ensure that pre-requisites to registration and certification and any barriers that may disadvantage a learner under the Equality Act 2010 are considered and outcomes recorded during the application process.

Prior to registration learners are required to:

- be accurately identified
- be at least 16 years of age
- be able to undertake this assessment in English or Welsh (if available)

Assessment Methods

The assessment methods used in this qualification are:

- Portfolio of Evidence (in 1 of 3 mandatory units),
- Practical Demonstration/Assignment (in 2 of 3 mandatory units)

Reasonable adjustments can be applied to these assessments in line with 1st4sport Policy Statement: Access Arrangements.

Grading Methods

This qualification will be graded Pass / Fail.

Qualification Structure

Learners must successfully complete all mandatory units to achieve this qualification.

Mandatory Units

Qualification Conditions: Delivery and assessment requirements

To complete the delivery, assessment, and internal quality assurance of the qualification, providers will be required to adhere to the guidance set out in the Recognised Centre Handbook.

Qualification Approval Conditions: Workforce requirements

In addition to the workforce requirements stated in the Recognised Centre Handbook, the following qualification specific requirements must be met and evidenced.

Tutor(s):

The training provider is required to recruit and deploy approved tutors. The tutors are responsible for the delivery of the qualification. Tutor/assessors are required to:

- hold or be working towards a recognised Level 2 sports coaching qualification or above with a demonstrable high level of discipline specific skills
- hold or be working towards a recognised teaching qualification with a demonstrable high level of discipline specific skills (this will be assessed through British Skydiving)
- be an Advanced Instructor or Instructor Examiner with a demonstrable high level of discipline specific skills

* An approved workforce list will be provided and maintained by British Skydiving.

Assessor(s):

The training provider is required to recruit and deploy approved assessors. The assessors are responsible for the delivery of the qualification. Assessors are required to:

- be an Advanced Instructor or Instructor Examiner recognised within British Skydiving
- hold or be working towards a recognised assessor qualification

Internal Verifier(s) and Quality Assurer(s):

British Skydiving technical staff will be the internal quality assurers who are responsible for the internal quality assurance activities.

- be a British Skydiving Technical Staff member
- be an Advanced Instructor or Instructor Examiner recognised within British Skydiving
- hold or be working towards a recognised internal quality assurance qualification

* An approved workforce list will be provided and maintained by British Skydiving.

Additional Qualification Requirements

The training provider is required to have one or more delivery sites with facilities to support the programme of training and assessment. These must comply with health and safety regulations and support appropriate access arrangements. All delivery sites must include the following:

- Skydiving centre
- a space for theoretical and practical sessions of sufficient size for the number of the learners on the course
- changing and toilet facilities.

The weather and environment must be conducive to learning; lighting and temperature appropriate to the participant and learner needs.
